

Risk Management with iLearningEngines

In addition to a suite of services provided at no-cost, PHLI insureds with Employment Practices Liability (EPL) coverage receive special pricing on additional add-on services from iLearningEngines.

Contact us today to learn about your discounted pricing with iLearningEngines!

Background Screening

We provide an integrated background screening solution through Investigative Concepts in a centralized system.

Best Practices Consultation

Consult with legal and HR experts to provide proactive guidance when dealing with delicate employee issues, reducing the need for escalation.

Employee Protection Line

Allows employees to report workplace concerns or wrongdoing without fear of retaliation and establishes a trustworthy culture of safety for all.

Online Training

Enhance your current training by expanding your selection of courses. Topics include cybersecurity, employment practices, workplace safety, child abuse prevention, and more.

Policy Review

Our partnership with an outside law firm provides you with discounted flat-rate access to policy review and pre/post consultation to fit the needs of each organization.
